

Help Shape the Future of San José!

Join a community discussion and determine the future of San José for you and your children!

What is important to you about the future of San José?

- Jobs? • Affordable Housing? • Parks?
- Transportation? • The Environment?

All of these issues and many more will be part of the process to update the City's plan, called the General Plan. The General Plan determines the city's future character and the quality of life over the next 30 years.

Attend the Upcoming Envision San José 2040 Community Workshop!
